QAPP as requested.

Just keep in mind there may be minor changes as this is still under review by the QA folks.

Hey Dave,

See the attached QAPP for the pending investigation in Spanish Village next week.

The Region 7 QA shop is currently reviewing so there may be some minor edits before

it's finalized.

I have sent this out to the larger group assisting EPA in developing this.

I am trying to arrange a call for Wednesday to here from the external reviewers.

Let me know if there are any question,

Tom
